LINCOLN HALL
YEARBOOK
JUNE - 1958

We are the future!
We are the fathers of tomorrow,
And the backbone of today.
We are the light of faith
That shines ahead.
We learn today
To answer tomorrow's questions.
We are the hope of a generation,
The dream of a century.
We are granted the blessings of the past
In order to secure the prayers of tomorrow.
We are the future!
